

St. Michael's Community Academy Sports Funding

The PE Premium grant is funding, provided jointly by the Departments for Education, Health and Culture, Media and Sport, allocated to primary schools to spend on improving the quality of sport and PE for all their children. This extra funding is intended to heighten the effectiveness of PE provision in schools, and it is at the school's discretion as to how the additional funding is spent.

School's aim

Our school's aim is to use the additional funding to improve the quality of teaching of PE, as well as engaging our children in high quality sporting activities, both curricular, extra-curricular and providing the children with experiences they may not get to do outside and beyond primary school.

St. Michael's Community Academy Sports Funding Impact 2016/17

Sports Premium funds have been used to:

1) Purchase a range of equipment to run a wider range of clubs:

Outcome:

Overview of the school

KS1 clubs offered	
Football	Dancing / Singing
Boccia	

KS2 clubs offered	Street Dance (yrs 3 - 6)
Football (yrs 3 - 6)	Football team training (yrs 5 / 6)
Boccia (yrs 3 - 6)	Indoor athletics (yrs 3 - 6)
Netball (yrs 3 - 6)	Thai Boxing (yrs 3 / 4)
Ballet (yrs 3 / 4)	Dodgeball (yrs 5 + 6)
Tennis (yrs 3 - 6)	Tag rugby (yrs 3 / 4)
Athletics (yrs 3 - 6)	Orienteering (yrs 5 / 6)

Attendance for the above clubs :

KS2 = 72%

We have entered the following level 2 school competitions:

Boccia (yr5 +6)	= 3 teams
Swimming (yrs 4, 5 +6)	= 1 team
Quad sports (yrs 5 + 6)	=1 team
Town sports (yrs 3, 4, 5 +6)	= 1 team
Cross country (yrs 3,4 ,5 + 6)	= 1 team
Tennis (yrs 3 + 4)	= 3 teams
Dodgeball (yrs 5 + 6)	= 2 teams
Orienteering (yrs 5 + 6)	= 2 teams
Sports hall athletics (yrs 5 + 6)	= 1 team
Football (yrs 3, 4, 5, +6)	= 2 teams
Girls Football (yrs 5 + 6)	= 1 team

We won three of these competitions....Boccia, Quad Sports and Year 3\4 football.

We qualified this year for a **Level 3 competition in Quad Sports**. 10 children represented Crewe and Nantwich at an event in Ellesmere Port.

We have also taken part in several **Football** and **Netball** friendly matches against other schools.

All our children in years 1 - 6 have taken part in level 1 intra school competitions during PE lessons.

This is done at the end of every half term to showcase the sport they have been taking part in during that term.

All children have also been assessed in October and June which includes balance, sprint, distance and jumping.

We have taken a large group of children to 2 different 'Inclusive Games' mornings at South Cheshire College where children have taken part in summer and winter games activities. We entered 3 teams into the Level 2 boccia competition with our SEN children.

The percentage of children representing the school in competitions is 40%

Swimming

All our children in Year 4 + 5 have taken part in swimming lessons this year. Each year group went swimming for one term.

We entered 10 children from Years 5 and 6 into a Level 2 swimming competition.

Gifted and Talented

Our year 2 children took part in a gifted and talented event which took place at school over a half term. Children took part in several different events which earned them points. All children received a certificate for taking part.

We have also taken 6 children from years 6 to a special two day activity event at Ruskin High school for Gifted and Talented in PE.

National Sports Week

All children in years 1 to 6 took part in different activities at school during a week in June. Children were taught sporting values such as sportsmanship, teamwork, respect and resilience. Three children from each year group were presented with medals.

Sports Leaders

Eight children from year 6 were chosen as sports leaders this year. They have helped out at events such as National Sports Week and Sports Day. This has helped those children grow in confidence and to take on new responsibilities in lessons.

Sports Day

This years sports day was themed around our School House Teams. Each class was split into four teams representing Crewe Alex, Webb, Gresty and Bentley. Reception, year 1 and 2 had their event in the morning with KS2 in the afternoon. All children took part in at least 2 races, including sprinting, distance, balancing and relay races.

We also held a special sports day for our Nursery children. This was themed around a 'Teddy Bears Picnic'. Parents were invited to bring a picnic and watch their children take part in races.

Respect Programme

All of our children in Year 6 attended a respect programme at Crewe Fire Station. They took part in a number of team building activities, taught about the importance of road safety and spent an afternoon learning how to use the hoses.

Commando Joe

Commando Joe has been in school this year spending time with our KS2 children. They have taken part in PE sessions based around different aspects of Team Building.

Change4life

This year we have started a change4life club in school. This is to encourage and spend more time with those children who do not take part in extra curriculum and tend to be less active.

Active mile

This year we ran a campaign for all our children to take part in the active mile. Several children from each year group were chosen to help promote this idea, they took part in a film and helped with an assembly. The aim is for each class is to walk\jog\run a mile during the school day.

As a result of our continued efforts in educating and engaging all pupils in healthy and active lifestyles and enabling more pupils to access competitive sport experiences we currently hold the **gold award** for the Sainsbury's School Games.

St. Michael's Community Academy Sports Funding 2017/18

During the academic year 2016/17 the academy will receive £19410.00 in Sports Funding. The Academy already employs a full time instructor of Physical education. Priorities that will be addressed with the additional sports funding include:

- Updating school equipment and resources with the aim of using these to provide the best delivery of PE education possible, ensuring that pupils take part in regular structured sporting opportunities
- Improve staff confidence in the delivery of sports and PE by arranging appropriate CPD opportunities
- Ensure that all pupils in KS2 participate in at least one extra-curricular sports/ PE club per term
- Ensure that pupils in KS1 participate in at least one extra-curricular sports/PE club per academic year, with at least two on offer each term

- Supporting less confident pupils to engage with sports through sporting activities tailored for their level of ability, and through Change4life clubs
- Ensure that all pupils participate in at least one *intra*-school (i.e. competing against classmates or other children currently attending the academy) competition each school year, in addition to sportsday
- Ensure that the scope of *inter*-school (i.e. competing against children from other schools) competitions entered into by talented athletes is maximised. St Michaels has already competed in inter-school competitions in football, hockey, swimming, gymnastics and sports hall athletics this year, with plans to further participate in tag rugby, cricket and track & field tournaments later in the Summer term. We have also sent less confident pupils to a specially tailored sports event involving similar pupils from other local schools
- Attend regular meetings within the St Bart's Trust that promote shared practice with a view to organising events that give children the opportunity to compete across the trust including sport premium children and KS1.

The impact of the use of the PE premium will be assessed in a report at the end of the 2017-18 academic year.
